

Erasmus+

**İLİMTEPE İLKOKULU , KÖRFEZ KOCAELİ TURKEY**  
**TEACHER INTERCHANGE**

**Romanya to Turkey**

İlimtepe İlkokulu hosted three teachers from Romanian project partner kindergarten between 5th and 8th April 2021. We organized a 'teacher interchange of good practises events' week with many activities.

Romanian teachers visited our kindergarten classrooms and observed activities our pupils did. They met with our teachers and negotiated about activities. We also visited kindergartens in our city and observed some activities there.

We visited our education management and our municipality. Our city education director and our mayor hosted us with our Romanian teachers in their offices and negotiated about our project, our countries' culture and education systems. We gave presents to each other.

We visited some historical, cultural places of our city Körfez, Kocaeli and İstanbul.
